Scheme for award of scholarships to meritorious students.

Basic guidelines for award of scholarships will be as under

- 1 Combined gross income of the parent of the child applying for scholarship from all sources does not exceed Rs. One Lakh per annum
- 2 He / she has already secured admission in one of the professional colleges or institution providing higher education.
- 3 The scholarship will be awarded on merit-cum-means basis.
- 4 Duration of the scholarships will be for the entire length of course in which admission has been secured and it would be discontinued if the performance of child is not found to be satisfactory.
- 5 Mere receipt of application will not entitle the applicant for any claim for the grant of scholarship.
- 6 Decision of the executive body of the Association will be final in all matters pertaining to scholarships.
- 7 The amount of scholarship shall not exceed Rs. 600/- per month for degree courses in Engineering / Medical / Architectural and Rs. 400/- per month for the diploma courses.
- 8 First preference will be given to the children of the group 'D' employees, if, however, adequate number of applications of the children of the group 'D' employees are not available according to the required standard, the applications of the children of the group 'C' employees will be considered. Scholarships will be awarded on first – come-first served basis.
- 9 The employees will be require to give us affidavit, duly attested by a First Class Magistrate, to the effect that annual income, including the income of his / her spouse, from all sources does not exceed Rs. One lakh per annum the Association deserves its right to withdraw / refund the scholarship forthwith in case the information given by the employees in this regard is found to be untrue.
- 10 The applications must be submitted through proper channel.
